Q. Do you have to be present at the drawing to win?

A. No, individuals need not be present to win, but must provide photo identification and their ticket number for verification.

Q. Can I be entered into the refer-a-friend drawing if I don't purchase a raffle ticket?

A. No, you must first be a raffle ticket holder to be entered into the refer-a-friend drawing

Q. Can two people show each other as the referring friend to qualify for the refer-a-friend drawing?

A. Two people wishing to name each other as the referring friend must **each first buy at least one ticket** and after that can be named on each other's ticket order forms an unlimited number of times. Two people can buy a ticket on the same day but only one could shown as a referring friend since processing the first ticket showing a friend who is not yet in the system as having bought a ticket disqualifies the friend from the refer-a-friend raffle. **For example**, John buys one ticket and names Jane as the referring friend and Jane buys one ticket and names John as the referring friend. Both order come in the same day. When John's order is first order processed, Jane is not yet in the system as having bought a ticket so Jane is ineligible to receive and refer-a-friend raffle ticket. The same situation applies if Jane's order was processed first before Johns. However, If John were to buy a ticket and not show Jane as the referring friend but Jane shows John as the referring friend, John would receive a refer-a-friend ticket since John is in the system with a valid purchase. John could then buy unlimited tickets and show Jane as the referring friend since she is now in the system as having purchased a ticket. If you have any questions on qualifying for the refer-a-friend drawing, please call the Chamber at 619-465-7700.
